

## Our Services

This User Guide gives a summary of our various services. Every week there are events offered from The PGA Tour and European Tour as well as World Golf Championships and Major Championships when they occur. Some weeks there may also be events from Secondary Tours such as The Champions, Challenge and Nationwide Tours.

### *Our Services:*

Subscribing to any service grants the User free entry into any Fantasy Competition going on in that week.

The amount of stats and data on offer is exactly the same across all three Services. Which is as follows:

After subscribing to any of our services you will have access to a Ranksheet for each Tournament held within the week. The Ranksheet lists all players from each event with categories of data for each player. These categories include CI, CCI, 3sCI, 6sCI, LP, SI & Rank, (to understand what each of these categories means please see the Professional Golfers Competitive Index User Guide).

By clicking on a Player Name in the Ranksheet, you can access each Players Page, one of our latest developments at Swingform. Within this service your Datasheet becomes a gateway to over ten years of archival information, all within the click of a button. You will find Full Results, Graphs, Comparison Tests and much more for every single player.

The difference between each of our services, is in the amount of recommended Tips offered. These are as follows:

### **'Bronze'**

**Price:** £3 Per Week

### **Tips:**

In this service you will receive the Tip's of the Week. This will usually be in the form of three Each Way recommendations from each event held in the week.

### 'Silver'

**Price:** £6 Per Week

**Tips:**

This service also adds our Match Bet of the week. A Match Bet is a popular type of bet offered by bookmakers consisting of just two players in a head to head match over the tournament.

You will receive all the same Tip's of the Week as offered in the Bronze Service, with an additional Match Bet recommendation.

### 'Gold'

**Price:** £9 Per Week

**Tips:**

The Gold service receives the same Tip's of the Week along with the Match Bet of the previous services. In the Gold there are also three or four additional Tips offered from each Tournament. Some weeks there may be also Tips offered from secondary and worldwide tours that would not be available in the Bronze or Silver services.
